FILED _____
DOCKETED _____
DATE _____ INITIAL _____

First, my humble apologies for this tardiness. I am a Quality Control Engineer, not an Attorney, such that, this is my first rodeo and I am a poor bronc rider.

Enclosed are four copies of my "Motion for Extension of Time", based on "Due Diligence".

Please distribute these as required by law.

Thank you for your assistance in this matter.

A handwritten signature in cursive script, appearing to read "Paul Sampson".

MOTION FOR EXTENSION OF TIME

FILED _____
DOCKETED _____
DATE _____ INITIAL _____

Chronology of Due Diligence by Appellant re. KIA/Hyundai Engine Events,
Case 8:17-cv-00838-JLS-JDE Document 128-1 Filed 3/11/20. This case needs at
minimum an addendum to protect Seniors Citizens, Social Security Recipients,
AARP Members, Disabled Veterans, disabled non-veterans, and persons qualifying
within the Americans with Disability Act.

May 10, 2020:

First known date by Appellant, Paul A. Sampson, of proposed Class Action
Suit by Centko and Lasar, et.al, v KIA and Hyundai Motors for engine
defects.

Sept 1, 2020:

Appellants Evaluation of the **proposed** Class Action Settlement: Appellant
decided not to sign any **proposed** agreement. The Warranty modification of
the agreement between KIA and Appellant (a Wyoming citizen) was altered,
unsatisfactory and appeared arbitrary.

Nov 11, 2020:

Date of fairness hearing. Appellant did not participate.

June 10, 2021:

Date of Final Judgment.

June 25, 2021:

Contacted the Gerry Spence Law Office, Jackson WY, and requested help for a "Fellow Stranded Wyomingite". They agreed. A few days later they declined to handle my case and refused to inform me as to why the change of mind.

Appellant lives in a small desert community with no professional legal services.

Appellant's spouse has initial indications of dementia, age 93, is handicapped and requires considerable time for assistance.

Appellant has been working on a proposed Amendment to the Final Judgment intermittently for approx 6 weeks.

Appellant misread the time deadline for an Appeal as 60 days, and now begs The Court an extension of time for filing.
